Mrs. William Sawyer of Carrabelle had an exciting experience a few days ago. With babe in hands she went to its little carriage to lay it down. ARNO ANECDOTES.

Important Wedding—Neighborhood Fish Fry—The Crop Outlook.

Arno, Sept. 4.—Miss Ella Osteen of Arno and Willie F. Marlow, chief clerk in one of the largest dry goods houses in Ocala, were happily united in the holy bonds of wedlock at the Forest Grove Church, August 27th. The church was most beautifully decorated and the bride and groom stood beneath a large horseshoe of flowers and evergreens. The ceremony was performed by Rev. W. C. Foster of Alachua, and was one of the most impressive and prettiest it has ever been our pleasure to witness. The groom was accompanied from Ocala by his uncle, Mr. Weaver, Miss Robinson and his sister. After a bountiful dinner at the home of the bride, enjoyed by a few friends, the happy couple left on the 1 o'clock train for Ocala, their future home, where the groom already had a home prepared for his bride.

Mr. Dent and family of St. Petersburg left for home this morning, after spending about ten days visiting friends in this community. They were accompanied by Miss Lola White, Mrs. Dent's sister.

Miss Fannie Terry of Fort White is visiting her brother, T. J. Terry.

A large number of neighbors and friends gathered last Wednesday on the banks of the Santa Fe river, at the spring, and enjoyed a bounteous fish fry and picnic. The fish were furnished by Messrs. Brown, Osteen and Rooks, who live near Blue Spring.

Miss Ruby Hawkins of Alachua is visiting Misses Rosa and Leslie May.

Rev. F. M. Hartman preached to a large congregation at Forest Grove on Sunday.

Farmers are busy gathering their corn and cotton crops. The crops are below the average. If the rains continue a little longer the hay and cane crops will be good.

Mrs. E. J. Brooks Leaves for Florida.

Mrs. Brooks, widow of the late E. J. Brooks, who has been studying voice culture and the piano since her husband's death and who has been fitting herself to teach music again, has gone to Gainesville, Florida, where a brother and sister reside and where she expects to locate for the purpose of teaching vocal and instrumental music. Mrs. Brooks taught music before her marriage, and she has lately been with teachers who have been abroad, and has passed the prescribed voice course for school work at the State Normal College and is prepared to teach the latest methods. Mrs. Brooks leaves a large circle of friends who are sorry to have her leave Albany but who wish her success in her new field of effort—Albany (N. Y.) Times-Union, August 26.

Mrs. Brooks is at present at the home of Mrs. Pauline Melville, 108 N. Arredondo street, where she will be pleased to meet those who desire instruction in voice culture or on the piano.

1,000,000 Bales for Alabama.

Montgomery, Ala., Sept. 5.—The cotton crop returns to the office of the state commissioner of agriculture include reports from several sections outside the state. E. S. Peters wires from Calvert, Tex., that that section is at 62, with the crop the poorest in east and north Texas ever known. M. H. Thomas says that Dallas territory is at 62, with high temperatures, and Walter Clark, of Clarksville, Miss., puts his territory at 69, as compared to last year, 66. Tennessee, where the yield is very small, is 82, reported by Commissioner of Agriculture Ogilvie while Georgia is at 66, and Alabama at 65, as compared with last year. Commissioner Poole is confident that Alabama will not make over a million bales this year, and expects to see a good price received for it.

HERBINE

The Popular Liver Medicine
Will Keep You Well

A GUARANTEED CURE for all diseases produced by **TORPID LIVER** and **IMPURE BLOOD**. Do not fill your system with Arsenic, Calomel and Quinine. They act as rank poisons which vitiate the blood, debilitate the system, and leave a trail of bad symptoms which require years to obliterate. **HERBINE** is purely vegetable and contains no mineral or narcotic poisons. It is absolutely harmless and is the simple remedy of nature. It carries off all poison in the system and leaves no injurious effects.

CURED BY HERBINE AFTER OTHER REMEDIES FAILED

Mr. L. A. Hicks, Iredell, Texas, says: "I was sick in bed for eight months with liver trouble, the doctor seemed to do me no good. I was told to try Herbine, and it cured me in a short time. I cannot recommend this wonderful medicine too highly."
